## Get ready to use your new EBM529X 529L Bottom Mount Refrigerator!

### The Controls

- 1 Power/Alarm Off Button**  
Alerts after doors are opened for 120 seconds, or in the event of a fault. Press the alarm off key to stop the alarm sound.
- 2 Refrigerator Thermostat Button**  
Cycle between 2 °C, 4 °C and 8 °C.
- 3 Freezer Thermostat Button**  
Cycle between -24 °C, -19 °C and -16 °C.

### Installation

When installing your refrigerator please ensure that **10cm of free space is left at both sides, 10cm at the rear and at least 30cm at the top of the appliance.** This will allow sufficient cold air to circulate around the refrigerator improving efficiency of the cooling process.

For a complete guide on the installing your fridge, refer to the user manual pages 9–12.

### Temperature Control Panel
